COMING SOON

This **census** is vital for our community because it determines funding, **resources**, services and planning for our **future**.

City of White House: *Learn More* Special Census Announcement

In 2020, the U.S. Census reported nearly 13,000 residents in the City of White House. However, current estimates suggest the population is closer to 19,000. This updated count could significantly increase state funding for the city, benefiting every man, woman, and child who resides here. Accurate population data translates directly into more resources—potentially boosting funding by nearly \$1 million annually.

To achieve this, a Special Census is scheduled. Here's how you can help shape the future of White House:

February 19, 2025: The U.S. Census Bureau will send invitations to households, encouraging responses via the Internet Self-Response (ISR) system.

April 1, 2025: Census takers will begin visiting homes that have not submitted online responses.

June 3, 2025: The collection period will conclude, ensuring every resident is counted.

September 2025: After data is collected, it will be reviewed and certified, with the final report.

Participating in this effort is vital to securing the resources needed to continue improving our community. Keep an eye out for your invitation and respond promptly to make a difference!

Greetings

FROM YOUR CITY ADMINISTRATOR

Gerald O. Herman

For those of you going through your first Middle Tennessee winter I am excited to report to you that it is almost over. Warmer weather and sunny skies will be upon us as February flees away and March waltzes into our lives.

For the past few months, we have been preparing you for our upcoming Census. Well, now is the time we need you to act. This is the month most of you will be notified by mail. We need you to get on your phone, iPad, or your computer, and fill in the census data. The more of you that can do this, the less we will need to have Census Bureau door knockers visiting with you in April and May.

Every Resident Counts
This Census will help the city determine its population, which has

grown significantly since the last census count. The certified population currently sits just below 13,000 residents, but with rapid growth, the city expects the population to be closer to 19,000 residents. Whether you own a home or rent, every resident counts! If you call White House home - we want to hear from you! For each addition-

al resident, the City of White House stands to receive \$175 per person from State Shared Tax Revenues.

Why the Census is Important
Participation in the Special Census is crucial for the future of the City of White House. Accurate population data allows for more precise planning and funding allocation for schools, roads, and emergency services. More importantly, it helps ensure the city receives its fair share of state funding directly tied to the population count. By participating, you are di-

rectly contributing to the development and growth of our community.

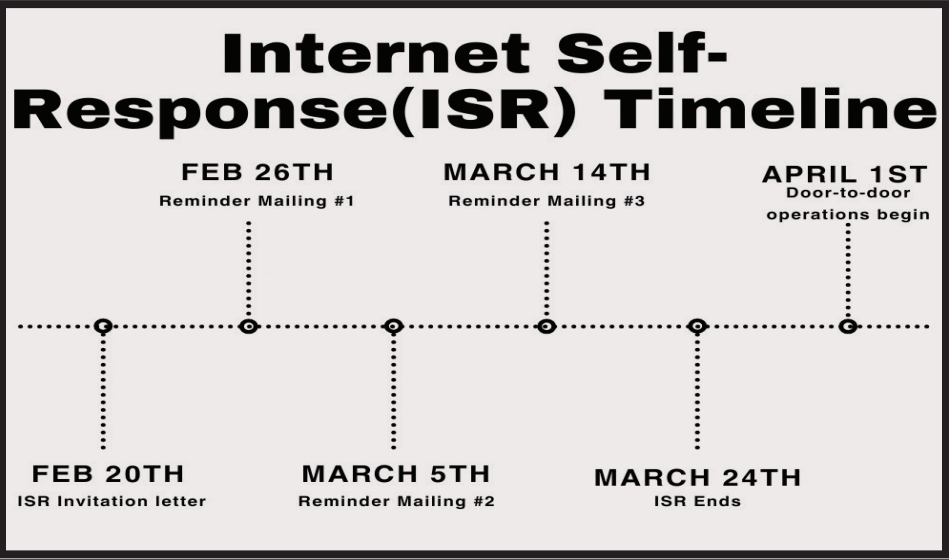

How and When the Census Will Be Conducted

We will start with an online response phase this month. The U.S. Census Bureau will mail invitations to all housing units, encouraging citizens to submit their responses online through the Internet Self-Response (ISR) system. This phase will last until the end of March and will be supplemented with multiple reminder mailings to encourage participation.

Certification and Final Reporting

Once the census is complete, the collected data will be compiled, reviewed, and prepared for certification.

Our city has grown tremendously, and every response counts. By participating, you are directly helping us secure vital funds for our public safety and infrastructure that benefit the entire community. Let's make sure every person in White House is counted. May you be safe, happy, healthy, and CENSUS conscience as we finish out these winter months.

WHITE HOUSE INN MUSEUM

The White House Inn Museum is a replica of the original White House Inn. Come and learn about local and regional history. Schedule a group visit, or have Museum staff and volunteers come to you!

PARKS & RECREATION

Our department is excited to announce that we will receive \$539,500 from the Tennessee Local Parks and Recreation Fund for improvements to Municipal Park. These funds will support expanded parking for the dog park, concession stand renovations at the baseball/softball quad, a new storage and meeting room building at the quad, and upgrades to the tennis courts, including shade structures. We are grateful for this opportunity to enhance our park and look forward to these exciting upgrades for our community!

We also intend to apply for another round of funding for additional upgrades to Municipal Park in the next grant cycle!

Upcoming Events

Upcoming February and March events include a Valentines Party, Dance with Casey & the Cowboys, and a St Patrick's celebration.

Check our online calendar for dates and times or pick up a calendar at our the senior center.

There is no fee and new residents are welcome!!!

VOLUNTEER HIGHLIGHT

Hello White House! I'm Darlene, and I've lived here for almost 7 years, spending 6 of those years actively involved with the Senior Center. Originally from Tupelo, MS (yes, the home of Elvis!), I enjoy helping with Meals on Wheels and connecting with members at both the White House and Portland Senior Centers. Over the years, I've made many friends and love playing cards, chatting, and going on field trips with the group. As a Girl Scout leader for 7 years, I had the pleasure of guiding my daughters' troop and was honored to be named leader of the year a few times. Recently, I've also volunteered with Spark Club, spending time with residents at Charter Senior Living, where I enjoy calling bingo and visiting with friends.

The Planners Corner

Ceagus Clark
Planning and Codes Director

In the 'Planners Corner' series, we will explore how the Code Enforcement Staff keep White House beautiful, focusing on city signage and property maintenance.

With the explosive growth occurring in the City of White House, it is essential to examine the broader context of regional growth in Nashville. Over the past few decades, Nashville has transformed from a modest city into a dynamic metropolitan hub, attracting people and businesses from across the nation.

This rapid expansion has been fueled by a combination of factors, including strategic regional planning, infrastructure investments, and the successful recruitment of major industries. The Nashville Metropolitan Statistical Area (MSA), which includes Sumner County (White House), has become a powerhouse of economic and cultural activity, driving unprecedented growth in residential, commercial, and industrial sectors.

White House has directly benefited from this regional surge, capitalizing on its strategic location along Interstate 65 and its proximity to Nashville. As growth in the Nashville core and surrounding counties continues to push outward, White House has emerged as a prime destination for new residents seeking a balance between urban amenities and a suburban lifestyle.

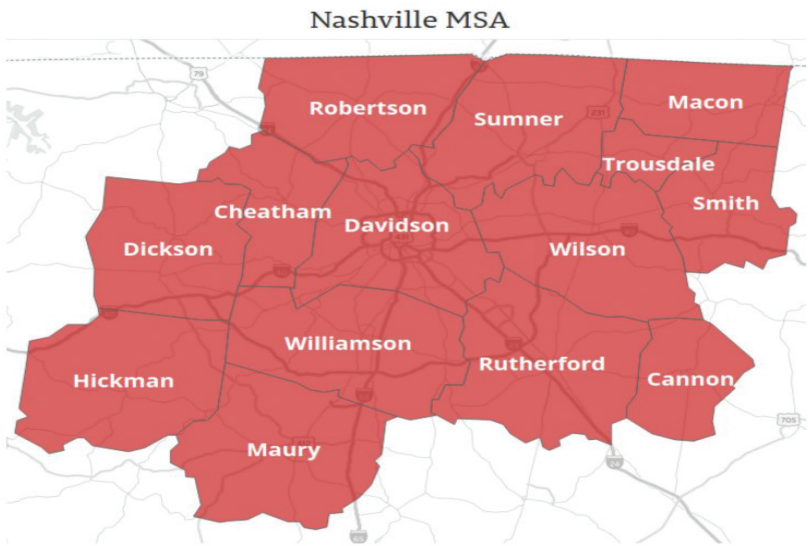

Nashville’s rise as a national economic leader, combined with deliberate regional collaboration, has created a ripple effect. This has spurred development not only in downtown Nashville but also in neighboring communities like White House. The result is a thriving regional ecosystem where job opportunities, quality of life, and economic prosperity are advancing in tandem.

White House benefits from its geography, standing out as the “last frontier” for growth in the Nashville Metropolitan Statistical Area (MSA). Unlike other cities around Nashville, where terrain challenges or limited land constrain expansion, White House offers significant development potential.

As a transplant to the area for 19 years, I have come to better understand the ‘how and why’ behind the region’s explosive growth. Nashville’s transformation began in 1963 with the consolidation of the City of Nashville and Davidson County into Metro Nashville. This merger laid the groundwork for widespread economic and residential development, not just in Nashville but across its surrounding counties.

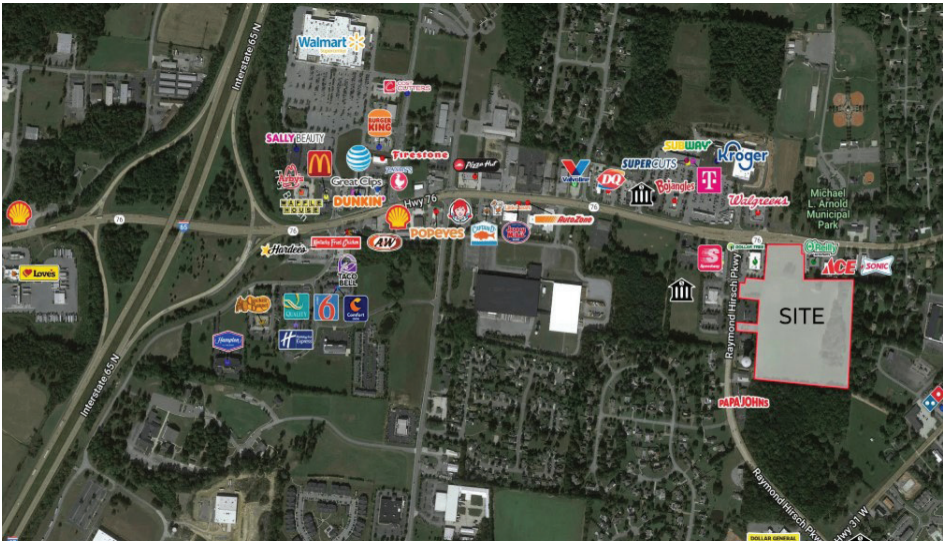

Nashville MSA Overview

The Nashville MSA comprises 13 counties, each contributing to the region’s growth. Since the 1960s, areas like Bellevue, Madison, Antioch, and Priest Lake have expanded, with development spilling over into neighboring counties.

County	1950s	1960s	1970s	1980s	1990s	2000s	2010

City of White House Growth Trends

The City of White House is experiencing a remarkable period of transformation, driven by sustained regional and local growth. Over the decades, this once-small town has blossomed into a thriving community, shaped by strategic planning and its proximity to the booming Nashville Metropolitan Statistical Area (MSA). Starting in the late 1970s, White House leaders initiated the process of long-range planning, laying the foundation for the city's continued development and success.

- Pre-1960: The city's population, under 1,000, was concentrated along Springfield Rd (State Route 76), Star Memorial (Hwy 31W), and Tyree Springs Rd.
- 1960–1990: The construction of the interstate system improved access to Nashville, leading to steady residential growth, surpassing 1,000 housing units by 1990.
- 1990–2020: As Nashville's suburbs expanded, White House grew from 3,000 residents to nearly 13,000, averaging over 300 new

residents annually.

- 2020s: Growth has accelerated, with over 1,000 new residents annually, driven by residential, commercial, and industrial development.

Catalysts for Regional Growth
In 1989, the “Project 2000”, initiative laid the foundation for recruiting and retaining businesses in the region. This effort, combined with the establishment of landmarks like the Tennessee Titans, Nashville Predators, and major corporate headquarters, fueled the region's economic boom. White House's growth reflects these regional dynamics and its proactive policies.

- Development Highlights**
- 1996–2007: 1,842 single and multifamily permits issued.
 - 2017–2020: A downturn resulted in only 439 single-family permits, but growth resumed, culminating in a record 579 permits in fiscal year 2024.
 - Outlook: Major developments approved between 2015 and 2021 are expected to conclude by

2028, supported by traffic improvement projects to address congestion and safety. White House's growth is a direct reflection of these regional dynamics, bolstered by the city's proactive policies to accommodate expansion. However, the rapid and simultaneous growth has prompted local officials to pause and reevaluate infrastructure needs to support the city's evolution. Key initiatives include the expansion of the sewer treatment plant and significant traffic improvement projects to address the challenges of a growing population and increased activity. This deliberate approach ensures that White House continues to thrive while maintaining its livability and meeting the demands of its growing community.

Staying Informed - For more information, visit the Development Tracker or review the full Zoning Ordinance located on the city's website. You can also reach us at 615-672-4350 ext. 2120.

CITY OF WHITE HOUSE FIRE DEPARTMENT

STAY WINTER SAFE

To ensure winter fire safety at home, prioritize keeping flammable materials away from heat sources, regularly inspect heating appliances, practice candle safety, have a fire escape plan, and always

tial structure fires in Tennessee. Separately, medical oxygen has been a component of more than 10% of fire deaths in the Volunteer State over the last decade.

Key winter fire safety tips:

Heating appliance maintenance:

- Get your furnace and chimney professionally inspected annually.
- Keep anything flammable at least 3 feet away from fireplaces, space heaters, and

ensure your smoke alarms are working properly; never use your oven to heat your home and always turn off space heaters when leaving a room.

radiators.

- Clean vents regularly to prevent carbon monoxide buildup.

Space heater safety:

- Never leave a space heater unattended.
- Plug space heaters directly into an outlet, never use extension cords.

Winter is Tennessee's most dangerous season for residential structure fires. Fire departments report a 66% increase in home fire deaths during winter compared to other seasons. Smoking and cooking account for more than 28% of the known causes for residen-

- Turn off space heaters when leaving a room or going to bed.

Candle safety:

- Place candles on a stable, heat-resistant surface.

- Keep candles away from curtains, flammable materials, and children.

- Extinguish candles before leaving a room or going to bed.

Cooking safety:

- Stay in the kitchen while cooking, especially when frying or grilling.

- Keep pot handles turned inward to prevent accidental spills.

Smoke alarms:

- Test smoke alarms monthly and replace batteries as needed.
- Ensure smoke alarms are installed on every level of your home, inside bedrooms, and outside

sleeping areas.

Fire escape plan:

- Practice a fire escape plan with your family, identifying two exits from each room and a designated meeting place outside.

Other important points:

- Never use your oven to heat your home.
- Do not use gasoline or other flammable liquids to start a fire.
- If you suspect a carbon monoxide leak, leave the house immediately and call emergency services.

Stay warm and safe this winter!

WINTER DRIVING TIPS

TIPS FOR DRIVING IN THE SNOW:

STAY HOME. ONLY GO OUT IF NECESSARY. EVEN IF YOU CAN DRIVE WELL IN BAD WEATHER, IT'S BETTER TO AVOID TAKING UNNECESSARY RISKS BY VENTURING OUT.

DRIVE SLOWLY. ALWAYS ADJUST YOUR SPEED DOWN TO ACCOUNT FOR LOWER TRACTION WHEN DRIVING ON SNOW OR ICE.

ACCELERATE AND DECELERATE SLOWLY. APPLY THE GAS SLOWLY TO REGAIN TRACTION AND AVOID SKIDS. DON'T TRY TO GET MOVING IN A HURRY AND TAKE TIME TO SLOW DOWN FOR A STOPLIGHT. REMEMBER: IT TAKES LONGER TO SLOW DOWN ON ICY ROADS.

INCREASE YOUR FOLLOWING DISTANCE TO FIVE TO SIX SECONDS. THIS INCREASED MARGIN OF SAFETY WILL PROVIDE THE LONGER DISTANCE NEEDED IF YOU HAVE TO STOP.

KNOW YOUR BRAKES. WHETHER YOU HAVE ANTILOCK BRAKES OR NOT, KEEP THE HEEL OF YOUR FOOT ON THE FLOOR AND USE THE BALL OF YOUR FOOT TO APPLY FIRM, STEADY PRESSURE ON THE BRAKE PEDAL.

DON'T STOP IF YOU CAN AVOID IT. THERE'S A BIG DIFFERENCE IN THE AMOUNT OF INERTIA IT TAKES TO START MOVING FROM A FULL STOP VERSUS HOW MUCH IT TAKES TO GET MOVING WHILE STILL ROLLING.

COLD WEATHER TIPS:

KEEP A BUNDLE OF COLD-WEATHER GEAR IN YOUR CAR, SUCH AS EXTRA FOOD AND WATER, WARM CLOTHING, A FLASHLIGHT, A GLASS SCRAPER, BLANKETS, MEDICATIONS, AND MORE.

MAKE CERTAIN YOUR TIRES ARE PROPERLY INFLATED AND HAVE PLENTY OF TREAD.

KEEP AT LEAST HALF A TANK OF FUEL IN YOUR VEHICLE AT ALL TIMES.

NEVER WARM UP A VEHICLE IN AN ENCLOSED AREA, SUCH AS A GARAGE.

DO NOT USE CRUISE CONTROL WHEN DRIVING ON ANY SLIPPERY SURFACE, SUCH AS ON ICE AND SNOW.

TIPS FOR LONG-DISTANCE WINTER TRIPS:

BE PREPARED: HAVE YOUR VEHICLE CHECKED BY AN APPROVED AUTO REPAIR FACILITY BEFORE HITTING THE ROAD.

CHECK THE WEATHER: CHECK THE WEATHER ALONG YOUR ROUTE AND WHEN POSSIBLE, DELAY YOUR TRIP IF BAD WEATHER IS EXPECTED.

STAY CONNECTED: BEFORE HITTING THE ROAD, NOTIFY OTHERS AND LET THEM KNOW YOUR ROUTE, DESTINATION, AND ESTIMATED TIME OF ARRIVAL.

9PM ROUTINE

- Remove valuables from vehicles
- Lock vehicle doors
- Close the garage door
- Close & lock all exterior doors
- Turn on exterior lights

Lock up. Make it a habit

2025 WHITE HOUSE FARMERS MARKET

The White House Farmer's Market is open every Wednesday from 3:30-7PM from May 14th-August 27th in the White House Municipal Park!

***WANT TO BECOME A
VENDOR THIS
SEASON?
APPLICATIONS ARE
NOW OPEN!***

You can find the application and policies and procedures at WhiteHouseTN.gov/FarmersMarket or by scanning the QR code below.

Trees, Trees, and More Trees!

The Public Services Department, Stormwater Division is excited to announce that we will again be a participating sponsor in this year's Tennessee Tree Day on March 15, 2025!!!

Every year in early Spring, The City of White House acquires many different species of trees and gives them away for free to residents of our community. Our community's participation makes us a part of a much larger

event known as Tennessee Tree Day, where all across the State of Tennessee residents will be picking up and planting tree seedlings. There are many important reasons to participate in this event, whether you are replacing trees for aesthetic purposes or for wildlife, trees are extremely important to help our communities thrive. Beyond aesthetics, trees can help prevent erosion of soils, stabilize streams and stream banks, and reduce pollu-

tion in our air. For these reasons The Stormwater Division sees this as a valuable opportunity to interact and educate the community to help bring awareness to the importance of stabilization of soils and the planting trees.

During this event The Public Services, Stormwater Division will be distributing 1,000

seedlings of varying species which is an increase of 600 trees from last year. We will be distributing trees at White House Municipal Park from the hours of 8 AM – 12 PM while supply lasts. The trees are given out on a first come, first served basis. We are excited for this event and look forward to seeing you in March!

★ MILITARY & MUNITIONS ★

**AT THE WHITE HOUSE INN MUSEUM
SATURDAY, MARCH 15 • 9 AM TO 3 PM**

Join us for an extraordinary journey through the evolution of warfare and military history! Explore an incredible collection of weapons, battle memorabilia, and artifacts spanning centuries, from Native American tools of war to the pivotal conflicts of the 20th century and beyond.

NATIVE AMERICAN WEAPONRY: Examine the tools and techniques of early warriors.

CIVIL WAR RELICS: Discover artifacts from one of the most pivotal conflicts in U.S. history.

WWI & WWII MEMORABILIA: Gain insight into the weapons and strategies that shaped the modern world.

KOREAN WAR, VIETNAM WAR, GULF WAR: Explore the stories, equipment, and impact of these critical conflicts.

FREE TO ATTEND

DON'T MISS THIS UNIQUE OPPORTUNITY TO WITNESS THE POWER, INGENUITY, AND STORIES BEHIND THESE HISTORICAL TREASURES. PERFECT FOR HISTORY ENTHUSIASTS, FAMILIES, AND ANYONE CURIOUS ABOUT THE LEGACY OF MILITARY INNOVATION.

The library will be closed on Monday, February 17th in celebration of President's Day.

The Friends of the Library will meet on Tuesday, March 4th at 5:30pm inside Study Room 2 of the library.

FOLLOW US ON SOCIAL MEDIA!

Scan the QR code to go directly to the Library Facebook page for the most up to date programming schedules!

The White House Library Board will meet March 13, 2025 at 7:00pm at the Billy S. Hobbs Community Center located at 105D College St. White House, TN 37188. Per the TCA Title 8, Chapter 44 regarding public meetings, a Public Comment section is on the meeting's agenda. To speak during the Public Comment period, a sign-up sheet will be placed in the meeting location near the printed agendas and will be taken up just before the start of the meeting.

Children Programs (ages 9 and under)

- Story Time: Tuesdays and Wed. @ 10:30am ages 0-5
- Crafternoon: Mondays @ 4pm ages 6-12
- Reading Dog: 1st Monday @ 4pm ages 5-9
- Homeschool activity: 2nd Wednesday @ 1:30pm for Pre-K- 2nd grade
- Homeschool activity: 4th Wednesday @ 1:30pm for 3rd-6th grade

Tween/Teen Programs (ages 10-17)

- Cooking Class: 1st and 3rd Tuesday @ 4pm (limited seating, must register in advance)
- Teen Night: 4th Thursday @ 4:30pm ages 13-17

Adult Programs

- Genealogy Club: 2nd Monday from 10am-12pm
- Knitting and Crochet Class: Every Tuesday from 3:30-5pm
- Mystery Readers Book Club: 2nd Thursday @ 3pm
- Adult Bingo: 4th Thursday from 1:30-3pm
- Bookworms book club: last Thursday @ 10am

**Supporting the White House Library:
Become a Friend Today!**

The White House Library plays an essential role in our community, providing access to a wealth of knowledge, resources, and programs that enrich the lives of all who visit. Now, you can make an even bigger impact by becoming a Friend of the White House Library.

The Friends of the White House Library is a group of dedicated individuals who support the library through annual donations of \$25 or more. Every penny you contribute goes directly into supporting the library’s initiatives, ensuring that it can continue to serve as a valuable resource for years to come. Whether you’re passionate about preserving local history, promoting educational programs, or simply ensuring the library remains a vibrant part of our community, becoming a Friend is a powerful way to make a difference.

How Your Donation Helps the Library and Community:
Your donation helps the White House Library in several ways:

- **Expanding Resources:**
Your contribution helps purchase new books, digital resources, and learning materials for library visitors of all ages.

- **Enhancing Programs:**
Funds support library programs for children, teens, and adults, such as reading clubs, educational workshops, and special events that foster a love of learning and community

engagement.

Why Become a Friend?
By becoming a Friend of the White House Library, you not only help enhance library services but also connect with like-minded individuals who share a commitment to the library’s mission. Your support

directly impacts the quality of resources available to all library patrons, helping to keep it a welcoming and vibrant space for everyone.

In addition, Friends of the Library enjoy:

- Acknowledgment in library publications.
 - Invitations to special events and programs.
 - A sense of pride in knowing you’re making a lasting difference in your community.
- Join Us Today!** Becoming a Friend of the White House Library is easy. Simply donate \$25 or more, and your support will immediately begin making a positive impact on our community. No donation is too small, and every dollar counts toward building a better library for all.

To become a Friend, visit the library to make your donation. Together, we can ensure that the White House Library continues to be a place of learning, discovery, and connection for all who visit.

Help the White House Library thrive—become a Friend today!
